Mad Libs

The Spaceship

A spaceship is a vehicle used for snoring people between Earth and the outer turtles. A journey usually takes 456 years and can cover 2 miles.
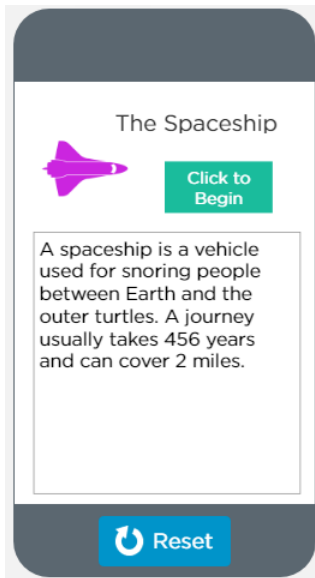

- Create a madlibs game.
- Use at least 5 variables.
- Have at least 3 senteces.
- Do NOT use this story.

Be sure that the giant space for the story at the bottom is a text area, not a label.

Text Area

```
onEvent(▼ "begin", ▼ "click", function(event) {

    var noun = prompt("Enter a plural noun:");

    var verb = prompt("Enter a verb ending in ing:");

    var num = promptNum("Enter a number:");

    var num2 = promptNum("Enter another number:");

    var words = "A spaceship is a vehicle used for ";

    words += verb + " people between Earth and the outer ";

    words += noun + ". A journey usually takes " + num;

    words += " years and can cover "+num2+" miles.";

    setText(▼ "story", words);
});
}
```
