Turner Fenton's Cabbage Club

We love cabbages. Big cabbages, small cabbages. If you love cabbages, you need to come out to the TFCC!

Meeting Times

Monday: 7:00 AM in the North Hall Theatre.

See Mr. Rosario in the main office if you'd like to join.

What a Cabbage is

First and foremost, a cabbage is beauty.

If we cut vertically through the middle of the head, we shall find it made up of successive layers of leaves, which grow smaller and smaller, almost ad infinitum. It is this intrinsically infinite nature, something that is at the heart of all fractals, that the Cabbage Club strives to honour.

Second, and also important, a cabbage is life.

Cabbages keep wonderfully, especially compared to other leafy vegetables. They are excellent additions to any canoe trip and they keep well along side your apples in your cold room. For this reason, the Cabbage Club reveres the cabbage.

Turner Fenton's Cabbage Club

We love cabbages. Big cabbages, small cabbages. If you love cabbages, you need to come out to the TFCC!

MEETING TIMES

Monday: 7:00 AM in the North Hall Theatre.

See Mr. Garton in the main office if you'd like to join.

What a Cabbage is

First and foremost, a cabbage is beauty.

If we cut vertically through the middle of the head, we shall find it made up of successive layers of leaves, which grow smaller and smaller, almost ad infinitum. It is this intrinsically infinite nature, something that is at the heart of all fractals, that the Cabbage Club strives to honour.

Second, and also important, a cabbage is life.

Cabbages keep wonderfully, especially compared to other leafy vegetables. They are excellent additions to any canoe trip and they keep well along side your apples in your cold room. For this reason, the Cabbage Club reveres the cabbage.

2009.05.28 - Microsoft Word
Insurance's are to cover The Warehouse Store Fit-out Team and contractors during the fit out period and while the main building is still under construction.
D. General;
All work to be executed and carried out by the Developer/Contractor and all Sub-Contractors shall be performed in a proper and workmanlike manner and in accordance with best trade practice.
All materials shall be the best of their respective kinds as specified, supplied and in accordance with NZ Standards. Everything not specifically mentioned but necessary in accordance with the usual custom of the trade or necessary for the proper completion of the work shall be allowed for by the Developer/Contractor.
All work and workmanship shall be in accordance with the relevant regulations, codes of practice and best trade practice.
E. Principal Contractors;
The Developer/Contractor is to co-operate with The Warehouse Group Ltd contractors and shall allow the use of his scaffold or other on site facilities to enable such work to be done. The following is the list of separate contractors;
a) Store fit out and racking
b) Security systems
c) Telecommunications
d) Computer system and wiring
e) Signage
F. Store Fit-out During Construction;
Fitting out of the store will commence prior to the building being completed (as determined in the lease agreement), access is to be granted to the fit out team along with toilet facilities (Male & Female), and power, lighting, etc are to be provided free of charge to the fit out team up until hand over of the building. TWL require full exclusive use of the loading dock to enable fit out of the store
