<https://android-layout-visualizer.barmej.com/>
- You can pick different colours and sizes.
- The background colour is #fdf2e9
- The background colour of the button is #ff9900

Save your code in a Goggle Doc or a Notepad file in your OneDrive.

Starter Code:

```
<LinearLayout
    android:orientation="vertical"
    android:layout_width="match_parent"
    android:layout_height="match_parent"
    android:background="#a9dfbf">

    <TextView
        android:text="Text Words"
        android:layout_width="wrap_content"
        android:layout_height="wrap_content"
        android:textSize="18sp"
        android:gravity="center"
        android:padding="20dp"/>

    <Button
        android:text="Button Words"
        android:layout_width="wrap_content"
        android:layout_height="wrap_content"
        android:textSize="18sp"
        android:textColor="#000000"
        android:background="#fef9e7"
        android:layout_margin="10dp"/>

</LinearLayout>
```
