A225

100 parents: Do you drink
3 or more caffeinated
beverages in a typical day?

29

Only 11% never drink any caffeinated beverages.

**100 married people
with no kids:**
Do you have any pets?

76

7% of all respondents reported
having 4 or more pets.

100 software developers:
Is AI going to take
over the world?

20

16% said that AI has already taken over the world.

100 adults:
Do you know how to swim?

72

10% of those who know how to swim reported
that they don't actually like swimming.

100 pet owners:
Do you own any mobile
household robots?

19

Of people who don't own pets,
11% report owning a robot.

100 U.S. adults: Does your
cell phone area code match
where you currently live?

55

Another 11% said they're in the same metro
area, just not the exact area code.

100 people over 50:
Are any of your
grandparents still living?

0

Of respondents older than 40 but
younger than 50, 26% said yes.

100 oldest siblings:
Did your younger siblings get
away with more than you did?

60

7% said they got away with more than their
younger siblings; 33% said it was about the same.

**100 people with at least
1 living parent:** Are you in
contact with your parent(s)?

96

53% of those who answered yes consider their
parents to be emotionally close friends.

Are you good at it?

©
2021

100 people under 25:

Do you know how to restart your router?

87

93% of people over 40 said yes.

100 Instagram users:

Do you think that influencers actually influence you?

43

More people prefer watching "relatable" influencers rather than "expert" or "celebrity" influencers.

100 employed people:

If you could choose your personal income tax rate at will, would you voluntarily pay any tax at all?

61

37% of respondents said they'd feel fine paying a 10% tax. 2% of folks said they'd give 20% or even more.

100 Europeans:

Have you ever been to a Waffle House restaurant?

33

81% of European respondents had heard of Waffle House, compared with 97% of Americans.

100 people over age 65:

Do you regularly use at least 1 social media site?

45

84% of respondents aged 18-29 said yes.

100 people with blood:

Do you see your own blood at least once a month?

77

7% report that they see their own blood every single day.

100 people under 25:

Do you often watch TV and movies with the subtitles on?

81

59% of people over 40 said yes.

100 people aged 18-29:

If a DNA test could tell you whether you're at risk for an incurable disease, would you want to know?

78

17% of U.S. adults have already taken some sort of DNA test.

100 people who make games, either professionally or as an avid hobbyist:

Are you good at it?

62

Makes sense. Making games is hard.

100 people who watch Netflix less than weekly: Do you feel paying for Netflix is worth it?

61

19% said they only use Netflix because they are using it for free.

100 people who drink 3 or more caffeinated beverages a day: Do you average 9 hours of sleep or more per night?

2

Of respondents who don't drink any caffeine, 6% said yes.

100 teenage girls: Do you play video games?

83

75% of teenage girls report having access to a gaming console.

100 Americans: Have you ever ridden in a sleeper car on a cross-country train?

18

56% of Europeans said yes.

100 board game designers: Do you play the lottery more than once a year?

8

42% say they play very rarely; 49% say they never play at all.

100 people who eat food: Do you regularly use your stove and oven?

88

More Europeans (92%) use their stove and oven than urban-dwelling Americans (84%).

100 people who drive regularly: Given access to tools, but not access to tutorials, could you change the oil in your car?

36

Of the people who said yes, only 73% correctly identified the steps involved in an oil change.

100 people under 25: Do you usually make your bed each day?

37

12% said they never make their bed.

100 people who live (or have lived) with roommates: Do you ever give each other romantic advice?

75

35% of roommates say they have offered romantic advice unsolicited.

**100 people who
work for a company
doing computer stuff:**
Are you paid enough?

59

29% of retail and service employees said yes.

100 sports fans:
Do you regularly watch
games on TV?

97

60% of sports fans report regularly
attending live sporting events.

100 people who eat food:
Do you not eat for pleasure,
meaning, you don't really
care whether you like your
food or not?

6

42% of respondents said life's too short to eat
anything you don't like; 52% would eat something
they didn't like so it wouldn't go to waste.

100 actors:
Are you a dork?

71

75% of actors in this survey said their
best work was still ahead of them.

100 people 23 and under:
Are you married?

2

12% reported being in a long-term
or domestic partnership.

100 citizens of the world:
Have you managed to avoid
going to Antarctica, ever, in
your entire life?

99

A few of you snuck through.

**100 people who don't
have kids:** On average, do
you get at least 8 hours of
sleep a night?

32

18% of parents said yes.

100 married people:
Have you ever ridden
in a hot air balloon?

17

8% of single people said yes.

**100 people who live
near Times Square:**
Have you ever visited it?

91

46% of respondents who live far from
Times Square have made the trip.
