# ASCII Art

An online C++ compiler is found here: https://www.onlinegdb.com/online_c++_compiler

This is an example of a C++ program:

```cpp
#include <iostream>
using namespace std;

int main ()
{
   cout << ">o)\n";
   cout << "(_>\n";

}
```

Make these three pictures:

(1) Fish:

```
     _
><_>
     _
```

(2) Daffodil

```
        __/)
   .-(__(=:
   |     \)
   |
   |
   |
```

(3) Music Note

```
     ;
     ;;
     ;';.
     ;  ;;
     ;   ;;
     ;    ;;
     ;    ;;
     ;    ;'
     ;   '
 ,;;;,;
 ;;;;;;
  `;;;;'
```

Remember to save a copy of your code in a Word document or google doc.
